

A woman with dark hair, smiling, wearing a light green polo shirt with the Sylvan Learning logo on the chest. She is positioned in the upper left and center of the advertisement.

You Don't Have to
“Go It Alone”
Get **School Support**
at Sylvan!

**We know this school year will be different ...
but you don't have to go it alone.**

Sylvan Learning can help your child stay on track and help you manage the new school schedules.

School Support at Sylvan ensures kids stay engaged and motivated to learn. You'll love the:

- In-person support on your child's virtual days.
- Dedicated learning environment to help your child stay focused.
- Team of coaches who will keep your child on track with assignments and online school sessions, including coordination & communication with teachers and making sure assignments get turned in.
- Structured educational activities and extra skill practice.
- Social connection with peers, with appropriate social distancing.
- Coordination and communication with teachers to make it easy on you!
